With limited time and a small crew it was important to implement a strategy of filmmaking that would maximize the quality and quantity of footage needed for a ten episode season in a four week window. Having a hand in most creative aspects of production it was just as important that the strategy played to the creative strengths of the team in order to create compelling narratives.

-Collaborated w/ businesses such as Louisville Slugger, Mrs.T's Pierogies, Buffalo Trace and more.

-Crafted individual narratives for a ten episodes season through creative editing and scripted voice overs

-Helped develop new graphics, title sequence/intro and over all format for the entire season

-Worked with businesses and nonprofits around the country to showcase their historical impact in the communities they serve

EXPERIENCE

BOWSTRING STUDIOS

Assistant Editor / Editor
2021 - 2023

At Bowstring we approached every project with a mindset that puts the story first. My responsibilities were that of a hybrid position. Taking on the responsibilities of both an Assistant Editor and Editor. It was important to create, adapt, and streamline a workflow that maximized efficiency and speed. This allowed more time for creativity in the cutting process while being able to produce quick turnarounds for clients.

- Collaborated with producers, agencies and clients on mid to high budget commercial, educational, and documentary film/video content.
- Provided creative solutions and ideas during the post production process
- Delivered high quality final edits on time and on budget
- Onsite footage ingest (RED, Sony, Canon, Gro Pro, BlackMagic)
- Hard drive, server, footage, and project file organization
- Footage & audio synchronization
- Cutting B-roll strips
- Producing Story Cuts

PHILADELPHIA FLYERS

Digital Media Intern
2018 - 2019

As one of the only digital media marketing interns, I was tasked with the responsibility to film and edit content that would reach all social media platforms including Instagram, Facebook, Twitter as well as NHL.com/Flyers. Having daily deadlines for each project helped increase my efficiency in Adobe Premiere and After Effect as well as my overall organization.

- Edited NBC Sports Philadelphia, television spot for NHL Stadium Series
- Filmed and edited 2-4 team/player highlight videos per week
- Worked in tandem with the marketing team to create content surrounding new team mascot Gritty
- Filmed and edited player interviews for team website and in-game, jumbotron content
- Worked with the marketing departments of the Eagles, Phillies, Sixers and Union to create cross sport collaboration videos.
